41st Year  
UNADILLA NURSERY Co.  
750-758 Riverside Drive

List - - Johnson City, N. Y. - - Jan. 15, 1951

The Christmas Tree Business is a big business; in fact, a \$50,000,000 business in United States and Canada. Estimated cut, 1950, 28,500,000 trees. Idle lands can be made to produce up to \$1000 per acre. Net cash income five to ten years.  
A mighty good old age security.

Make extra cash on our stock at \$20.00 per acre. Plant one or more acres each year. Better than the bank for interest on your money. Estimated 1000 trees per acre planted 6 1/2 ft apart, only \$20.00. Prepaid delivery planting season. Seedlings 2-4 inch 2 year. Austrian Pine, Scotch Pine, also American Arborvitae, Canada Hemlock, Red Spruce, White Pine (\$3.00 per 100, \$20.00 per 1000).

Make extra cash on our stock at \$30.00 per acre.		Extra, very nice trees
